LET HIM HAVE HIS WAY.
If a fellow feels like drowsin' in this weather, let him drowse—
Go dreamin' with the daisies, or loafin' with the cows!
Though he thinks it's time for blizzards, an' the heat should call a halt,
Yet, the good Lord runs the weather, an' it ain't a feller's fault!
If a feller feels like slugin' in this weather, let him slug.
An' roll in summer sweetness where the honey-suckles swing!
If we never know it's winter—if the summers never halt,
The good Lord runs the weather, an' it ain't a feller's fault!
—Frank L. Stanton.

CLASH AT CYNTHIANA.
Judge Osborne and Col. Williams Lock Horns on Military Matters.

The Jett-White trial was called yesterday at Cynthiana.

The city is full of Breathitt county feudists and the friends of both sides.

Judge Osborne declared that he would not allow the soldiers to guard either the Jail, the Courthouse or the witnesses, in consequence of which Captain Ewen, the main witness against the assassins, left town.

Judge Osborne finally agreed that six soldiers "dressed in citizens' clothes" might act as Deputy Sheriffs; but this was such an un-military proceeding that Colonel Williams very properly declined to allow it.

Thereupon Governor Beckham interposed with an order to Judge Osborne directing him to protect the witnesses with soldiers, and Captain Ewen late yesterday returned from Lexington.

If there is an outbreak it will be due to the strange conduct of Judge Osborne.

Catarrh of the Stomach.
When the stomach is overloaded; when food is taken into it that fails to digest, it decays and inflames the mucous membrane, exposing the nerves and causing the glands to secrete mucus instead of the natural juices of digestion. This is called Catarrh of the Stomach. For years I suffered with Catarrh of the Stomach, caused by indigestion. Doctors and medicines failed to benefit me until I used Kodol Dyspepsia Cure—J. R. Rhea, Coppell, Tex. Sold by J. Jas. Wood & Son.

LINEN SUITINGS

The extreme popularity of linen this season for stylish summer frocks is indeed a matter of common knowledge. And nothing is more attractive and cool looking than such a gown made as a shirt waist suit or in the two piece suit with long skirted blouse. The canvas, chambray, duck and pique weaves are all favored and equally fashionable, while colors are charmingly varied, with white leading of course. Prices are half or near it. Natural colored linen suitings 19c were 25c. Illuminated linen suitings 35c formerly 50c. Checked linen suitings 25c were 39c. Champagne suitings, glace finish, 25c formerly 39c. Striped linen volles 19c were 25c. Mixed linen chambrays, white, 35c were 50c. White canvas 38c formerly 50c. Nub mixed suitings, in mixtures of colors with white, 19c were 25c. White striped oxfords, large assortment, all new patterns, 19c were 25c.

D. HUNT & SON.

WHY.....

Our Clearing Sales Are Always Anxiously Awaited!

And hundreds of people take advantage of them is easily accounted for. We do not tell you that this and that suit is worth so much, and you can buy it during the sale at 25 per cent. less than its worth; but we tell you that we sold them at such and such a price, and during the specified time of the sale you can buy them at 25 per cent. discount. The crowds that came in through the past week, and the crowds that we know will come in during this week, (remember, the sale ends next Saturday night) testify that our "ads" are convincing. Continuing until Saturday night, August 1st, we continue to sell all Clothing at 25 per cent. less than our regular selling price; all of our Straw Hats 1/2 off; all of our Furnishings at 10 per cent. off the selling price; a limited number of \$1.50 Manhattan Shirts at \$1.15.

"COMMITTEE OF FIFTEEN!"

Appointed to Work For Adoption of Constitutional Amendment.

Judge Wall attended a meeting of the Committee of Fifteen in Louisville on Thursday last. This Committee was appointed by the Commercial Convention that met in Louisville last spring, and empowered to look after the success of the Constitutional Amendment permitting the cities and towns of the state to regulate municipal taxation.

Judge Wall represents the Ninth Congressional District, and Maysville, Ashland and Catlettsburg, and some of our largest towns, are vitally interested in having the amendment carried.

The amendment is purely non-partisan, and will be of great benefit.

An address to the voters of the state was prepared, and will be published, and speakers were employed to explain the merits of the amendment.

The next meeting of the Committee will be held in September at Covington.

The City Councils and Boards of Trade are expected to assist in the movement.

No man or woman in the state will hesitate to speak well of Chamberlain's Stomach and Liver Tablets after once trying them. They always produce a pleasant movement of the bowels, improve the appetite and strengthen the digestion. For sale by J. Jas. Wood & Son, Druggists.

DEKALB LODGE, I. O. O. F.
Regular meeting of DeKalb Lodge No. 12, I. O. O. F., at DeKalb Lodge Hall at 7:30 this evening.
E. H. BUNZEL, N. G.
John W. Thompson, Secretary.

CAUTION!
This is not a gentle word—but when you think how liable you are not to purchase the only remedy universally known and a remedy that has had the largest sale of any medicine in the world since 1868 for the cure and treatment of Consumption and Throat and Lung troubles without losing its popularity all these years, you will be thankful that we called your attention to Chamberlain's German Syrup. There are so many ordinary cough remedies made by druggists and others that are cheap and good for light colds perhaps, but for severe Coughs, Bronchitis, Croup—and especially for Consumption, where there is difficult expectation and coughing during the nights and mornings, there is nothing like German Syrup. The 25c size has just been introduced this year. Regular size 75 cents. At Henry W. Ray's, next door to Postoffice.

A Summer Shoe Sale

There is nothing on which a person loves to save money better than on footwear, and at the same time be assured that they are getting the best standard of quality. We have prepared a sale with that thought in mind and present a collection of the very best makes of OXFORDS and SLIPPERS priced in every instance at much less than their actual worth. Quotations were given in previous issues of this paper. Don't confound these offerings, however, with goods bought for all-the-year-round bargain events. These Shoes are from our regular stock, and reductions are made to clear 'em out and make room for fall lines.

THE good news comes from Wall Street that several multi-millionaire gambling firms have recently lost heavily. The pity is that these parasites can't be compelled to go to work on the rock pile and earn a few dollars honestly.

A WASHINGTON telegram says Colonel MORRIS B. BELKNAP, the Republican nominee for Governor of Kentucky, slipped into town and then slipped out again without the knowledge of members of the Kentucky colony, including Commissioner of Internal Revenue JOHN W. YERKES.

GOVERNOR BECKHAM having maintained the "Majesty of the Law" by the deserved hanging of a couple of friendless Tennessee boys at Lexington, let him keep the law's majesty maintained by refusing to pardon or reprieve a few of Kentucky's home-grown political heelers who make murder a pleasant pastime.

THE smallpox liar is now making good on Huntington, just as he did on Maysville last winter. The "intelligent" long-distance prevaricator reports anywhere from twenty to two hundred cases in the West Virginia city, with deaths by dozens, whereas there are comparatively few cases, and they confined to one section of the city.

THE Committee of Fifteen which was appointed to work for the Constitutional amendment giving Kentucky cities the right to fix their own method of taxation, has opened offices in Louisville and begun an active campaign. Every person who is in favor of local self-government ought to work and vote for this amendment, which will be voted on at the coming November election.

THE United Mine Workers have at last called off the strike in the New River and Loup Creek Districts in West Virginia. The strike lasted thirteen months, and has cost both sides an aggregate of \$500,000 each, not including loss of wages to strikers and business to operators, to say nothing of a dozen or more lives lost. In the face of these losses, the miners gained absolutely nothing. The sooner working people discard "Mother Jones" and her class of irresponsible and impracticable cranks the better off they will be.

THE Courier-Journal heartily supports the Democratic state ticket, whose head is largely under the influence of Judge HARGIS of Breathitt county, and which same Judge HARGIS is an active member of the Democratic State Central Committee, and which same Judge HARGIS is at the head of the Hargis feud faction at Jackson; and yet The Courier-Journal has this to say of Hargisism—

"Again the Hargises figure in the news from Breathitt county, and as usual it is to obstruct rather than aid the efforts to uphold the law, their latest performance being to demand punishment for perjury of a witness courageous enough to testify against one of their clan. They are making such a desperate attempt to keep any of their gang from the Penitentiary or the gallows that they only strengthen the impression that their activity and anxiety in this direction are due to other and stronger motives than merely the protection of other people from the penalties of outraged law."

Political Pickings

SOME BECKHAM APPOINTMENTS.

Grayson Tribune.

Speaking of Beckham's appointments, few are on the inside of the appointment of the Elliott county member on the State Board of Equalization. The inside facts are Chairman Allie Young made his boy, Beckham, over whom he had fatherly control at that time, appoint his good friend, John Mannin, a member of the Board. Mannin had been a member of the Tolliver band of feudists in Rowan county, of which the Youngs were members and chief advisers, and was shot in the hand in one of the battles. It turned out that Mannin was disqualified by the fact that he can neither read nor write. But a way was made that his disqualification by lack of education should not disqualify him from drawing a part of the pay, so Allie had Beckham to permit Mannin to furnish a substitute in the person of one-handed, red-headed John Flannery, of the same county, and the latter got 50 per cent. of the emoluments and Mannin the other half. Most of readers know the above appointees. They are not worse and no better than the general run of Beckham-Young appointments.

CAREX STRICTA!

A WONDERFUL FREAK OF NATURE!

Now Being Utilized for Furniture.

Minnie Furniture is now being made from American Wire Grass, which is recognized by botanists as "Carex Stricta," and differs from all other grasses, in that it has a solid stem without joints, without lateral leaves and without mineral substances, which keeps wire grass pithy and tough and preserves its pliability indefinitely. Minnie Chairs, Divans, Tables and Clothes Hampers are made of Wire Grass, beautifully braided into artistic designs very pleasing to the eye.

"Beauty is Only Skin Deep!"

Is an old saying, but in this case UNTRUE. The beauty of Grass Furniture is that it is so durable Grass Furniture is indestructible. Once bought, Grass Furniture can be willed to your posterity upon your demise. Minnie's superiority is admitted in every neighborhood that she visits.

Familiarity With Minnie Furniture Does Not Breed Contempt.

A large, comfortable arm chair made from Wire Grass is so pliable that it just fits the possessor, and fits better each year, and as the years roll by this old acquaintance becomes dearer.

If There is Anything Prettier Than GRASS FURNITURE We Have Never Seen It!

Minnie Furniture is up-to-date, just what you see in your Eastern cousin's home.

THE PRICE IS MODERATE!

NERVOUS HEADACHE

BREEDS INSANITY.

Many a person's whole pleasure in life is ruined by the fear of nervous headaches. Any little excitement, no matter what, business or social brings them on. The feet and hands grow cold, the head is hot, the eyes stiff, the temples throb, and only in the quiet of a darkened room is relief obtained. This condition must be checked or it means complete mental ruin. To those people Dr. A. W. Chase's Nerve Pills come as a blessing. They do not stop, they cure the headaches. They do not blanket, they build up. They put the nervous system in a strong, vigorous, sturdy condition—a condition that gives one resistive power and enables them to again enjoy life's pleasures.

Mrs. Minnie Aikman of No. 218 Lee street, Maysville, Ky., says:

"I have been bothered for a long time with pains in the region of my heart and with racking nervous headaches. I was advised to try Dr. A. W. Chase's Nerve Pills and I got a box at Chenoweth's Drugstore and now I am happy to say that the heart pains and headaches are completely cured. I cannot speak too highly of these pills as they are an excellent medicine in every particular."

Paris Green—That Kills

Many imagine that all Paris Green is of equal potency. This is not the case. Analysis of samples from various makers shows that some have more than twice the strength of others. You have perhaps observed evidence of this in the failure of an application of Paris Green to your tobacco plants to rid them of worms as it should.

We guarantee the strength and effectiveness of the Paris Green we sell. The manufacturers have a reputation for the high and uniform excellence of their product.

There's Economy in Using This Paris Green; it Goes Farther and Always Does the Work.

A Surgical Operation
Is always dangerous. Do not submit to the surgeon's knife until you have tried DeWitt's Witch Hazel Salve. It will cure when everything else fails—it has done this in thousands of cases. Here is one of them: I suffered from bleeding and protracting piles for twenty years. Was treated by different specialists and used many remedies, but obtained no relief until I used DeWitt's Witch Hazel Salve. Two boxes of this salve cured me eighteen months ago and I have not had a touch of the piles since.—J. A. Tisdale, Summerton, S. C. For Blind, Bleeding, Itching and Protracting Piles no remedy equals DeWitt's Witch Hazel Salve. Sold by J. Jas. Wood & Son.

It is worth considerable to any citizen of Maysville to know how to be cured of painful, annoying and itching piles. Know then that Doan's Ointment is a positive remedy for all itches of the skin—for piles, eczema, etc. One application relieves and soothes. Read this testimony of its merit:

Mr. J. C. Gaby of 925 East Second Street says:

"For many years I suffered severely from itching hemorrhoids. I bought every remedy I heard of, but do what I might the trouble grew worse instead of better. It was particularly aggravating after I retired and I lost much sleep because of the intense itching. I had the good fortune to learn of Doan's Ointment, and I bought a box at J. Jas. Wood & Son's Drugstore. The wonderful relief I obtained from its use was almost beyond belief. I soon felt that I was cured. I continued the treatment for a time, however, to make assurance doubly sure."

For sale by all dealers. Price 50c. Mailed by FOSTER-MILBURN CO., Buffalo, N. Y.

JUMPING UP

Is a great deal harder than jumping down. And yet people who have been for years running down in health expect to jump back at once. It takes years generally to make a man a confirmed dyspeptic, and he cannot expect to be cured in a few days.

There is no quicker means of cure for dyspepsia or other forms of stomach trouble than by the use of Dr. Pierce's Golden Medical Discovery. It cures diseases of the stomach and other organs of digestion and builds up the body with sound flesh and solid muscle.

"I was taken sick two years ago," writes Rev. W. H. Patterson of White Cloud, Ala. "I was what the doctors thought was gastric trouble, indigestion or nervous dyspepsia, also constipation and inactive liver. I was in a dreadful condition. Tried several different doctors with but little result. I had gotten so feeble that I was almost past traveling about; had got down to 114 pounds. Went and bought six bottles of 'Golden Medical Discovery,' and got the 'Pellets' and began following directions. When I had taken about five bottles I felt very much better and was greatly improved, and weighed one hundred and thirty-eight pounds. I will say that Dr. Pierce's medicines are a God-send to poor suffering humanity, and I advise any and all chronic sufferers to give them a fair trial and they will be satisfied."

Accept no substitute for "Golden Medical Discovery." There is nothing "just as good" for diseases of the stomach. Dr. Pierce's Pleasant Pellets cure biliousness and sick headache.

Very Remarkable Cure of Diarrhoea.

"About 6 years ago for the first time in my life I had a sudden and severe attack of diarrhoea," says Mrs. Alice Miller of Morgan, Texas. "I got temporary relief, but it came back again and again, and for six long years I have suffered more misery and agony than I can tell. It was worse than death. My husband spent hundreds of dollars for physicians' prescriptions and treatment without avail. Finally we moved to Bosque county, our present home, and one day I happened to see an advertisement of Chamberlain's Colic, Cholera and Diarrhoea Remedy with a testimonial of a man who had been cured by it. The case was so similar to my own that I concluded to try the remedy. The result was wonderful. I could hardly realize that I was well again, or believe it could be so after having suffered so long, but that one bottle of medicine, costing but a few cents, cured me." For sale by J. Jas. Wood & Son, Druggists.
